## Change Log for S.T.A.L.K.E.R. Clear Sky Patch 1.5.05

Fixed an error which prevented the guide from leading the player to the Cordon. This was caused by the fact that the autosave function failed to save all data, and once such a saved game was loaded, the game became impossible to complete. If this error occurred, it was necessary to restart the game from the beginning.

- ▶ Fixed a bug with secondary objectives (Deliver item), which caused the arrow to point to the wrong NPC after a save/load.
- ▶ Changed the reward for lowering the bridge in the Red Forest.
- ▶ Changed the reward for killing bandits at the Freedom base filling station.
- ▶ Fixed the Freedom technician ' s dialogue. After accepting a secondary objective, it became impossible to undertake/complete objectives to find flash drives.
- ▶ Fixed an error, which caused the situation to be displayed incorrectly in the PDA Faction War section.
- ▶ Fixed an error, which caused the number of grenades for the grenade launcher attachment to be saved incorrectly following modifications.
- ▶ Fixed an error, which caused FPS to fall when the cursor was moved over headings on the PDA map.
